

Excellent Coverage for your Recreational Vehicle (RV)

Veritas REC Protection Plans cover the essential components of your motor home. You work hard for your investment and our protection plans allow you to enjoy it for years to come.

A breakdown of a motor home can be an extremely stressful experience. For this reason, roadside assistance, concierge service, and emergency services are included with all our programs. When it is time to file a claim, we offer extensive coverage and excellent claim support to all our customers.

A motor home can be very expensive to repair. For many of our customers, a single covered repair will cover the cost of their policy. We provide you with peace of mind, knowing your vehicle is covered by a company backed by an "A-" or better rated insurer and accredited by the Better Business Bureau.

All of our protection plans are accepted at dealerships and repair facilities throughout the United States and Canada.

**Please see section "WHAT TO DO IN THE EVENT OF A BREAKDOWN" of your contract for full details*

Protection plans may only be used in United States and Canada.
